**Attachments:** EF2-1 EPA Approval Letter [10-16].pdf; 0268PS024E.REV001 - CBI Report - 8.16.16 (Ed. 002, 11.9.21) pg1-14.pdf; Sherwood Industries - EF2 Request for Renewal.pdf; 0268PS024E.REV001 - Certificate - 11.10.21 (Ed. 003, 11.10.21).pdf

Good Morning,

Please refer to the attached documentation for the request of renewal for the our EF2-1 model line of pellet stoves. OMNI-Test Laboratories has confirmed no changes have been made since last certification and therefore no further testing is required.

Thank-you,

**Garrett Posehn** | Department Manager – R&D | Sherwood Industries Ltd.
